

PHILIPPINES: MARITIME ENVIRONMENTAL IMPROVEMENT PROJECT

Land & Sea Environmental Consultants Ltd./OCL Group was retained to undertake an environmental assessment of improvements proposed for 8 major ports in Philippines (Manila, Iloilo, Cebu, Cagayan de Oro, Davao, Zamboanga, General Santos and Pulapandan). From the environmental assessment, an environmental management plan was developed. Also a program to introduce environmental management to the Philippines Port Authority and the 8 Port Authorities was developed, including management of dredged material disposal and management of port and ship wastes.

Client: SNC Lavalin International Inc. on behalf of the Philippines Port Authority and the World Bank.
